Frequently Asked Questions about Golf

✅ Cannot see the golf ball clearly:

The white golf ball appears blurry in your field of vision,making it impossible to confirm whether it flies along yourintended trajectory.

✅ Hard to distinguish grass grain lines:

Grass grain patterns on the golf course look blurry,making them hard to judge whether under harsh sunlight on sunny days or dim light on cloudy days.

✅ Sore &Tired Eyes:

Mismatched frames and lenses lead to not-iceable eye fatigue after prolonged wear.
